**PAT Testing
Responsibility Form**

All electrical equipment brought into either Grange Hall or The Grange must be PAT tested. We will ask to see the Certificate which should individually list each item to be used as proof, so please ensure your entertainment/caterers/etc are aware of this. **If a Portable Appliance Testing certificate is not available for any electrical items brought into either building they cannot be used.**

Please sign to confirm you have informed your entertainment/caterers/etc of this requirement. Thank you.
